

Come and join us for drinks, nibbles and meet others from the industry that think the same as you and share the same concerns, you may even learn something!

The PRTC was formed in early 2005 to provide advice, understanding and a strategic approach to current and potential market issues from regulators, governments, enthusiasts and community groups. Our goal is to promote professional and responsible activities within the performance racing and tuning sector. With now over 300 members, results are starting to be seen. Ben Bartlett - AAAA National Membership Manager, will speak on key industry trends, an exciting new export strategy targeting the US performance market, regulatory changes, and further market research projects.
